

NIKLAS EKSTEIN

Developer

☎ +46 733 137 394 @ niklas.ekstein@gmail.com 🔗 <https://github.com/niklas-ekstein> 📍 Sweden

SUMMARY

Developer with 2 years of experience working with .NET, Azure, SQL and Xamarin.

EXPERIENCE

Renovating house

Construction 📅 08/2022 - 10/2022 📍 Gothenburg

Renovated my house and learned Angular and React.

Developer

Startup 📅 08/2021 - 06/2022 📍 Remote

Started developing a social media app for backpackers with Xamarin.

- Built the app for Android and iOS, Xamarin.Forms cross-platform.
- Used Azure: Cosmos DB SQL API, Stored procedures, Blob storage, Azure Functions, Azure SignalR service and Azure DevOps.
- MVVM, Prism, DI/IoC

University/Stock trading

Computer Science 📅 01/2020 - 06/2021 📍 Stockholm

Continued my studies and swing traded the market.

- Studied courses in AI, Data Mining, programming and math.
- Studying mostly remotely because of Covid.

Backend Developer

SBT Media 📅 10/2018 - 01/2020 📍 Stockholm

🔗 www.SBTMedia.se

Christian Benavente: +46 70-591 45 61

Working with small and medium-sized businesses web applications. SBT Media is now called Digimii.

- Backend development using C# and VB.NET.
- Importing and exporting data between enterprise systems and web applications using SQL Server and Entity Framework.
- JavaScript for things like payment solutions and sending AJAX requests.

Earlier

University, backpacking, trading stocks and real estate

SKILLS

.NET	Azure	Xamarin	SQL
JavaScript	Angular	React	

EDUCATION

Computer Science

Stockholm University

- 2.5 years in University. Learned a lot in school, but I see myself as self-taught in the area of programming, so I started working early. Can complete my Bachelor of Computer Science in 4 months.

STRENGTHS

Problem-solver

Enjoying problem solving has come naturally to me since young age.

Focus

Im very focused and motivated on getting better on my job. This gives me a natural flow in my daily routine.

Social

Interacting with people is one of my strongest skills, on the job and outside.

INTERESTS

Running

Stock market
